

Pro-Palestinians Are the True Heirs of Nazism

THE LIE

Israelis are no different from Nazis and are carrying out a “Holocaust” against Palestinians in Gaza.

THE TRUTH

This accusation isn't just false — it's a textbook inversion. The pro-Palestinian movement has a documented, unbroken line of alignment with Nazi ideology, from Hamas's genocidal charter to today's influencers openly calling to “gas the Jews.”

BACKGROUND

- On June 7, 2026, far-left streamer Hasan Piker likened Israelis to Nazis and the Gaza conflict to the Holocaust. ([X](#))
- Prominent voices like Pulitzer Prize-winning journalist Glenn Greenwald defended Piker's rhetoric. ([Glenn Greenwald](#))

TRUTH EXPLAINED

- The Palestinian movement has a documented, decades-long history of alignment with Nazi ideology and antisemitism. In the 1930s, Haj Amin al-Husseini—the Grand Mufti of Jerusalem and the era's most influential Palestinian Muslim leader—actively collaborated with Adolf Hitler and Nazi Germany. ([TIME](#))
- That toxic legacy continues to this day. Social media is filled with videos of Palestinians and their supporters giving Nazi salutes, chanting “Heil Hitler,” and calling to “gas the Jews.” ([Israel Truth Network](#))
- Hamas, the Muslim terror group that Palestinians elected to govern Gaza, explicitly calls in its founding charter for the extermination of Jews, citing Islamic texts that envision Muslims killing Jews hiding behind trees and stones. Hamas has lived up to this hatred with relentless attacks on Jewish civilians, including the October 7th massacre. Senior official Fathi Hammad has openly declared: “We must attack every Jew on the face of the earth.” ([Hamas charter](#)), ([Times of Israel](#))
- This isn't ancient history—it's mainstream in pro-Palestinian circles today. Dan Bilzerian, a popular pro-Palestinian influencer who often accuses Israel of “genocide,” has called for the extermination of Israelis, expressed support for Hitler, and blamed Jews for the world's problems. ([X](#)), ([X](#)), ([Israel Truth Network](#))
- Sarah Wilkinson, a prominent pro-Palestinian activist, dehumanized Jews in classic Nazi style: “The Israelis are not human. They have hands—they have faces but they're not one of us. They are monsters.” ([X](#))
- Maureen Galindo, a pro-Palestinian Democratic candidate in Texas's May 2026 primary, ranted against “Zionist billionaire Jews,” claimed Jews control Hollywood and the media, accused Israelis of trying to occupy America and commit genocide there, called them “Satan worshippers,” and demanded they be thrown into concentration camps and castrated. ([Times of Israel](#))
- Moe Tkacik, a pro-Palestinian senior editor at the progressive magazine The American Prospect, has called for Israel to be nuked “to save the human race.” ([X](#))
- Hamid Dabashi, an Iranian Columbia University professor, described Israeli Jews as having “a vulgarity of character that is bone-deep and structural to the skeletal vertebrae of [their] culture” — a core claim of Nazism. ([Brandeis Center](#))

QUOTES

“All of you 7 million Palestinians abroad, enough of the warming up. You have Jews everywhere and we must attack every Jew on the globe by way of slaughter and killing, if God permits.” — Senior Hamas official Fathi Hammad

Pro-Palestinians Are the True Heirs of Nazism

"[I will] turn Karnes ICE Detention Center into a prison for American Zionists and former ICE officers for human trafficking. It will also be a castration processing center for pedophiles which will probably be most of the Zionists." — Texas Democratic candidate Maureen Galindo

TAKEAWAY

The same voices screaming that Israelis are "Nazis" and Gaza is a "Holocaust" are the ones embracing Nazi ideology in plain sight: eliminationist Jew-hatred, dehumanizing language, open calls for mass murder, and praise for Hitler.

From the Grand Mufti's handshake with Adolf Hitler and collaboration in the 1940s, to Hamas's genocidal charter, to today's influencers, professors, and politicians calling to "gas the Jews," nuke Israel, castrate Jewish billionaires, and put Zionists in concentration camps — the pattern is repulsive and consistent.

The true heirs of Nazism aren't the Jews building a thriving democracy in Israel. They are the activists, terrorists, and intellectuals who still fantasize about finishing Hitler's work.
